ARTS Alliance

Who We Are & What We Do

We bring East Mountain artists together. We create showing, selling and performing opportunities for the artists of this community. We organize educational programs, community festivals, exhibitions and workshops. We are the artists and art lovers living and working in the East Mountains.

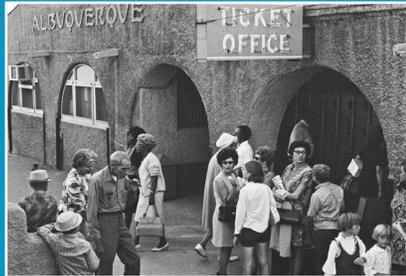

Mission Statement

The Route 66 Arts Alliance is committed to providing opportunities for artists to create, educate, network, promote, inspire and foster an appreciation for the various arts in the Route 66 East Mountain communities.

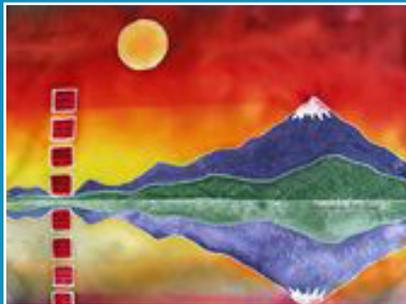

About Us

Our vision is to increase public awareness and encourage interest in experiencing a variety of local arts and culture. The result would make the East Mountains an engaged and enriched community and a vital and flourishing tourist destination.
